

## [Halfway V1.0.3 \(via Small-games.info\) Dna Hack](#)

	<b>Inexact Stash Markers v1.00</b> Channel: Lost Alpha Official Description: This mod replaces the marker pointing a stash with an approximate radius, within which the stash is located. In addition, the HUD minimap will no longer display the stash markers - only the FGA global map will. <a href="#">Download</a>
	<b>Monsters are less tied to gulags (Beta) v1.01</b> Channel: Lost Alpha Official Description: With this mod monsters, in the event of an attack and detection of an enemy, can go 4 times further from their gulags. <a href="#">Download</a>
	<b>Russian Voice Acting v1.00</b> Channel: Lost Alpha Official Description: This mod replaces the English storyline moments voice acting with its Russian version. <a href="#">Download</a>
	<b>SoC Main Menu Music v1.00</b> Channel: Lost Alpha Official Description: This mod replaces the track «Badwind, Pt. 2», that is played in Lost Alpha DC's main menu, with «Wasteland B» - the music playing in the main menu of the original game. <a href="#">Download</a>
	<b>SoC Sidorovich v1.00</b> Channel: Lost Alpha Official Description: This mod replaces the model of Sidorovich used in Lost Alpha DC with its low detailed version from the original game. <a href="#">Download</a>
	<b>Updated Swamp v1.00</b> Channel: Lost Alpha Official Description: This mod changes the appearance of the location "Swamp". The main work that has been done on error correction location, but there are also innovations, and also removed all the towers for some unknown reason standing every 200 metres, except for one. <a href="#">Download</a>
